

MacroscopicSolutions

Inspiring Discovery

Nomination form: If you are someone (e.g. student/parent) nominating a teacher, administrator, or other faculty member from a school that you believe should have a Macropod, then you should complete the **Nomination Form**.

Important: Two letters of approval are required for consideration of this nomination and are to be submitted electronically along with this form to info@macroscopicolutions.com

These letters include: 1) letter from the principal and 2) letter from the teacher nominee. The letters must endorse you as the applicant and justify how the school can benefit from using the Macropod and make it a sustainable tool.
